One Day Tour: Wadi Shab & Tiwi

DURATION: approx. 10 hours
DEPARTS: 0830 Sat to Thursday
INCLUSION: Private Transport, pick up and drop at hotel, soft drink or water and a guide

From Quriyat we will be travelling along the recently opened coastal highway that passes through some of the most dramatic and beautiful landscape with views of both the pristine coastline and the majestic mountains. This section of the route will take you through numerous fishing villages. We will stop at Bimah sink hole where you will have the opportunity to descend along the steps into the sink hole for a swim in the blue clean water of the sink hole.

We will then proceed to the beautiful white sand beaches of Tiwi followed a visit to wadi Shab. The wadi offers a welcome surprise to many visitors with its lush green vegetation and cool running water all year round. You will have the opportunity to go for a walk along the wadi to experience the tropical vegetation of banana and lemon trees as well as vegetable gardens. At the top of the Wadi there are some pools nestling between the steep cliffs.

Here we can swim and take our Picnic lunch. For those who are adventurous and courageous, you can head on further up the Wadi partly walking and partly swimming until they reach the “key hole” For Good athletic swimmers it is possible to ease your way through the Key Hole which leads to a large cave with a spectacular water fall.

At the head of Wadi Shab is the fishing Village of Tiwi which we drive through before returning to Muscat.

EXCLUSIONS: flight tickets, visa charges, meals (apart from Breakfast) and other expenses on personal nature.
